Important Information

When you say "Hey Disney!" or "Alexa", your requests are sent to Amazon for processing in the cloud. If it's something the Disney Magical Companion can help with, Amazon will send your request (but not the voice recording) to Disney. To view applicable terms and policies, scan the QR code or visit privacy.twdc.com/heydisney.

Echo Show devices in Disney Resorts include a decorative stand that completely covers the device camera; a built-in shutter under the stand also covers the camera. Disney has designed "Hey Disney!" features to enhance your stay at Disney Resorts and "Hey Disney!" does not use the device camera.

"Hey Disney!" is not intended to be used in the event of an emergency. Dial 911 from a phone in case of a life-threatening situation.
